Shredzville (Telegram Mini App)

1. General Provisions

1.1. This document constitutes an official offer (public offer) of **Individual Entrepreneur “Xabibullayev Abdurasul Alisher O’g’li”**, registered in accordance with the legislation of the Republic of Uzbekistan and operating the service under the brand name **Shredzville** (hereinafter referred to as the “Contractor”), aimed at concluding an agreement for the provision of paid services with any individual or legal entity that accepts this offer (hereinafter referred to as the “Customer”) under the terms set forth below.

1.2. This Agreement has been developed in accordance with the provisions of the Civil Code of the Republic of Uzbekistan, including Articles 367, 369, 370, 703–708, as well as other regulatory legal acts of the Republic of Uzbekistan.

1.3. In accordance with Article 369 of the Civil Code of the Republic of Uzbekistan, this Agreement is considered a public agreement, and publication of its text within the Telegram Mini App interface, on a web page, or in the Contractor’s information system shall be deemed an official offer to conclude the agreement.

1.4. Full and unconditional acceptance of this offer shall be deemed the Customer’s performance of one or more of the following actions:

- registration in the Shredzville service via Telegram;
- completion of a questionnaire or user profile;
- payment for the Contractor’s services;
- actual use of the service functionality.

From the moment of acceptance, the Agreement shall be considered concluded in written form.

1.5. The Customer confirms that prior to acceptance they have read the terms of this Agreement, fully understood them, accepted them without any reservations or exceptions, and understand the legal consequences of concluding this Agreement.

2. Terms and Definitions

The following terms are used in this Agreement:

“**Service**” — a software and hardware complex, Telegram Mini App, web interface, database, and other digital solutions owned by the Contractor and united under the Shredzville brand.

“Services” — a set of actions by the Contractor aimed at providing the Customer with access to workout programs, personalized recommendations, progress tracking functionality, educational materials, and other service features.

“Account” — a personal user account created within the Shredzville system via Telegram.

“Subscription” — provision of access to the service functionality on a regular (periodic) paid basis.

3. Subject of the Agreement

3.1. The Contractor undertakes to provide the Customer with services granting access to the Shredzville service, its functionality, as well as other services provided for in this offer and described within the service interface, while the Customer undertakes to accept and pay for such services.

3.2. The specific list of services, their scope, form of provision, duration, and cost are determined by:

- pricing plans;
- the selected subscription;
- service functionality;
- conditions published within the Shredzville interface.

3.3. Services are provided electronically and remotely using the Internet and the Telegram platform.

4. Procedure for Providing Services

4.1. Services are provided automatically using information technologies.

4.2. The Contractor has the right to:

- update and modify the service functionality;
- change the technical architecture;
- introduce new functions, modules, and algorithms without prior approval from the Customer.

4.3. Services shall be deemed rendered:

- from the moment access to the service is granted;
- from the moment the subscription is activated;
- from the moment the functionality is first used;
- or upon expiration of the paid period.

4.4. Interruptions in the operation of the service caused by technical maintenance, updates, communication failures, or actions of third parties shall not be considered a breach of the Contractor's obligations.
